Course Description

This is a programme for participants to learn more about the rules & regulations in Financial Market industry. This rules & regulations module 7 is on Anti Bribery Corruption. This programme aims to equip financial representatives with the requisite knowledge of the regulatory framework, including the laws & regulations, and associated codes, notices, practice notes and guidelines governing the capital markets and insurance intermediaries in Singapore.

The program will be conducted through E-Learning. Through the programme, you will learn how to become a better financial representative in the current environment.

Programme Structure

- Designed for representatives to enhance their understanding of rules & regulations in capital markets of Singapore when they conduct business with their clients.
- This is an E- Learning programme (1.5hrs) / Multiple Choice Questionnaire (MCQ) Assessment (0.5hrs). Total 2 hours.
- Upon successful completion of the programme, representatives would be eligible for the 2 hours CPD requirements, under the MAS Guidelines.
- Course will be conducted in English language.
